Welcome Message

Dear Colleagues,

It is a great pleasure to announce that The Scientistt will host the Global Summit on Environmental Science and Applications (EnScience2022) will be held in Tokyo, Japan during April 21-23, 2022.

EnScience2022 aims to bring together the renowned researchers, scientists and scholars to exchange ideas, to present sophisticated research works and to discuss hot topics in the field and share their experiences on all aspects of Environmental Science and Applications.

The EnScience2022 will be a 3 days event that means to gather the key players of the Environmental Science and Applications community and related sectors. This event is launched with the aims to become an established event, attracting global participants, intent on sharing, exchanging and exploring new avenues of environmental science and applications -related scientific and commercial developments.

A wide-ranging scientific program consisting of plenary lectures, keynote lectures, Invited lectures, parallel sessions, as well as poster sessions for young scientists covering all topics in environmental science and applications will be scheduled. This conference provides a wonderful opportunity for you to enhance your knowledge about the newest interdisciplinary approaches in Environmental Science and Applications.

Moreover, the conference offers a valuable platform to create new contacts in the field of Environmental Science and Applications, by providing valuable networking time for you to meet great personnel in the field.

We look forward to seeing you at EnScience2022 in Tokyo, Japan
